# Antecedentes

- Desde hace mas de una década el Consulado de México en San Bernardino se propuso ofrecer a la comunidad servicios por medio de una Feria de Salud. Desde entonces, este evento se realiza cada año con la participación de diferentes organizaciones y un fuerte equipo de voluntarios. Este evento se organiza de cero, esto significa que se lleva a cabo desde los detalles mas básicos.

## Primera Feria de Salud en el Consulado de San Bernardino

- La Primera Feria de Salud se llevo a cabo en el año 2002. En esta ocasión y por los siguientes años fue patrocinada por “Molina Health Care” antes llamada “La Salle Medical Associates”.

Durante estos años se contó con la participación de aproximadamente 50 organizaciones. Las personas beneficiadas en cada evento fue de entre 1,500 y 2000. Para cada uno de estos eventos se realizó una Guía de Salud y un volante, así como difusión en la prensa.

## 13th Annual Binational Health Fair

The Mexican Consulate of San Bernardino/Riverside Counties, in affiliation with the Loma Linda University, the San Bernardino County Department of Public Health, and other local state, county, and community health organizations invite the public to the XIII Annual Binational Health Fair.

The annual health fair will be held at the parking lot of the Consulate of Mexico, located at 293 N. D Street, San Bernardino. The theme for this year is "Health is Life," and is scheduled on Sunday, Oct. 6, from 9 a.m. to 2 p.m.

The Binational Health Week started 13 years ago and is one of the largest mobilization efforts of Federal, State, government, community, and faith-based organizations, involving community volunteers in the Americas. The aim of this worthy event is to help improve the well-being of our underserved

population. This annual event encompasses an annual weeklong series of health promotion and health education workshops, medical screenings and more.

For this year, over fifty organizations will be participating to offer free, on-site health screenings and medical consultation such as: cholesterol; blood pressure; diabetes; hemoglobin; limited flu vaccinations; ultrasound scans; dental; vision; specialized physicians' consultations; asthma consultation and referrals; eye glasses referrals; mammograms and referrals to women who qualify; health workshops on nutrition, chronic diseases, behavioral and mental health, and other both free and low-cost medical information and referrals.

There will also be free legal assistance, information and referrals on immigration topics, family services, civil and labor rights, and accident

The annual health fair will provide informational activity booths to promote health and wellness to residents both San Bernardino and Riverside Counties.

prevention in the workplace, to name a few. Entertainment and children's activities will also be available.

For additional information contact the Mexican Consulate at 889-9836, exten-
