Specialist Association Intl.

WELCOME

Romance Tourism is very significant for Mexican destinations, because of the positive impact it has on the local economy, integrating the entire network of resources that makes this industry possible. Currently, Romance Tourism is an efficient industry to accelerate the economical growth of many communities in our country, help modernize the infrastructure, boost the economy, promote our cultural resources, balance the social equality and support sustainability.

This segment covers not only destination weddings, but also proposals, bachelor and bachelorette parties, honeymoons, wedding anniversaries, vows renewals, last trip before the baby's birth (Babymoon), second nuptials, travel with the family (Family-Moon) and a new niche that is growing exponentially with the current epidemiological and economic conditions, which are elopement weddings.

In Mexico, year after year the network of resources throughout our destinations are specializing in this segment, holding a significant number of destination weddings annually. While the favorite setting for couples has been our beautiful beaches, the new generations are being attracted to colonial and adventure destinations.

Therefore, the Mexican Tourism Board - SECTUR, through the General Directorate of Innovation for Tourism, is promoting Romance Tourism, focusing not only on destination weddings, but also seeking the integration of other tourism products and experiences in and around that special moment, allowing the incorporation of the local population, which contributes to raising their quality of life.

This catalog is the result of a coordinated effort between the Destination Wedding Specialist Association - DWSA, the Jalisco State Secretary of Tourism, the Municipality of Puerto Vallarta, all the specialized suppliers of this tourist destination and the Mexican Tourism Board. Together we carried out virtual workshops to create innovative tourism services aimed to the Romance Tourism, with an individual value that gives them a distinctive character and, at the same time, a unique identity.

In this way, local vendors and communities represented by artisans, traditional cooks, agribusinesses and cooperatives have been incorporated, thus seeking social development with a gender and inclusion perspective.

It is important to mention that this work responds to the new tourist policy that seeks to encourage the benefits of this activity to showcase the localities, and reach more sectors of the population, seeking a balanced development of the country's regions.

We hope that this document is not only useful but interesting, and that it contributes to your experience of living and enjoying Mexico.

ROMANCE CULTURE & HEALING

A MAGICAL ROMANCE IN TLAQUEPAQUE

A wedding is more than a party. It is finding the right time, and place to share it with loved ones.

Tlaquepaque, Pueblo Magico, has a charm that is shared through living traditions, colonial architecture, but above all, through the Mexican hospitality that will fill the hearts of the future spouses and their loved ones with pure joy.

A MAGICAL ROMANCE IN TLAQUEPAQUE

Duration: 3 and a half hours

Suggested hours: 10:00-13:30 h

We will meet you and your guests at the Tourist Service Center (CAT) and we will give you a very Tlaquepaque welcome. We will offer you some traditional light entrees and drinks such as “flying cazuelas” (drink that contains a refreshing combination of citrus fruits, grapefruit soda and tequila, served in a clay pot), “cantaritos” (like the “flying cazuelas”, this drink also combines citrus fruits, grapefruit soda and tequila, but is served in a clay pot previously frosted with salt and chili on the edge), margaritas and other traditional drink according to the season (“atole” or “de olla” coffee).

A MAGICAL ROMANCE IN TLAQUEPAQUE

“A noble and bizarre profession, among all the first, because in the art of clay, God was the first potter and man the first pot.” This phrase defines the pottery vocation of Tlaquepaque, that from time immemorial, has been characterized in capturing both the human figure and other craft techniques in a unique way, which has earned a great reputation. And to show this, we have prepared an experiential clay modeling workshop, in which our guests will be guided by a master craftsman who will teach them the process of creating their own pieces. At the end of this workshop, our guests will take the pieces they have made as a souvenir of this visit.

From there we will continue with this magical experience with a walk through some traditional neighborhoods of Tlaquepaque. As you walk through its streets, you will discover stories and anecdotes, hidden in the corners of its houses, and characters that have left their mark.

We continue with our walk, making a stopover at the Mexican sweets factory "Nuestro Talleres", where you will receive a refreshing drink to start the experience. You will be delighted with the tradition of aromas, textures and flavors of the most representative sweets of this region. You will witness the 100% artisan production process of macadamia nut rompopo, chocolate, peanut and almond marzipan, cocada, Sayula cajeta and many other delicacies. At the end of the visit, you will be given a Mexican souvenir with a variety of regional candy.

A MAGICAL ROMANCE IN TLAQUEPAQUE

Later, you will taste them already converted into chocolate and, combined with various ingredients, they will be paired with wine, spirits and other beverages to discover how each grain has its own character and notes.
- As a second option, guests will be able to take part in an **Experiential Chocolate or Mexican Candy Workshop**. In this experience, you will become apprentices of confectionery and live the process of making marzipan or Mexican chocolate, be given a brief history and then move on to the activity where you will grind the ingredients, mix them and form your marzipan or chocolate.

The product will be drying while you go through the factory afterwards, you will return to pack your product. At the end you are given a gift that includes Mexican sweets and chocolates.
