

Products without a match in the Phytosanitary requirements module for importing goods

In the event that the requirements do not show up in this Module, you can request the phytosanitary requirements by submitting a written request with the following information:

- Name or company name
- Address for receiving notifications
- Telephone number and email in which you agree to receive notifications
- Scientific and common name of product to be imported
- Type of Product, for example, fresh fruit, seeds, plants, barbs, bulbs, etc.
- Country of origin and provenance

Import Contact importacion.dgsv@senasica.gob.mx 5905-1000 ext. 51344.

Once you have met the requirements, you can obtain a Plant Health Certificate for Importation by means of [SENASICA-03-012-A](#)
