International English Language Olympia - Universities 2024

Jordan – Amman

Registration Guide

شركاء النجاح

Amman – Jordan 5-7 Dec 2024

Held at: King Hussein Bin Talal Convention Centre – Dead Sea

Foreword

H.H. Crown Prince Hussein bin Abdullah II

”نحن لا نطلب من المجتمع أو المسؤولين أن يخلقوا لنا الفرص، ما نريده هو أن يوفرنا البيئة التي تسمح للفرص أن تُخلق؛ بيئةً تستقبل الريادة بأيادٍ رحبة، تحتضن الإبداع بلهفة، وتقدر المواهب. ما نحتاجه هو أن تُترك لنا المساحة لننطلق دون قيود أو محددات، التقاليد والمبادئ الأكثر استدامةً هي التي تتطور وتواكب تغيرات العصر. لذلك، علينا أن نعزز في شبابنا قيم التغيير والتجديد لا الانقياد والتبعية، الانفتاح لا الانغلاق، قيم حرية الاختيار والإبداع لا الاتكالية. هذا ما علمني إياه والدي، سيدنا“

In the interest of the **Ministry of Higher Education in the Hashemite Kingdom of Jordan** is keen to provide everything that is useful and would advance and enhance the concept of education, learning and leadership to build a promising and distinguished youth generation, as well as working to improve the quality of education directed to them and their involvement in the local and global communities, as well as the search for commonalities that unite between different cultures and have access to appropriate educational opportunities.

Therefore, the ministry of higher education in the Hashemite Kingdom of Jordan, in cooperation with Masa for International Exams, launched ELO-Uni 2024

International English Language Olympia - Universities 2024

Under Title
National Heritage

This allows participating teams from various public and private universities from all over the Middle East and the world to compete with the aim of improving linguistic skills in the field of the English language, enhancing the use of modern scientific research theories and creative projects, and acquiring leadership skills, teamwork, community service and theatrical works by working within a team.

Invitation to participate in ELO – Uni 2024

It is with great pride we look forward to your participation in
International English Language Olympia – Universities 2024

The English Language Olympia is considered the most important and prominent event of its kind in the field of the English language in a contemporary, unconventional way at the regional and global level for young people.

Which will bring together hundreds of participating university teams from all countries of the world with their various nationalities and cultures, **With the aim of enhancing and refining leadership and entrepreneurial abilities and skills in the English language and working to employ them to serve the interests of students at the academic and professional levels.**

This trend comes in line with the great interest and endeavor of universities to enable their students to possess the abilities and skills in the English language, as it is the primary language used in all specializations, scientific research, graduation projects, and postgraduate studies, which is one of the most important factors for openness to the world and other cultures

International English Language Olympia - Uni

It is an educational event for which participants are prepared within the age group (24-18) years from various private & public universities in all specializations, from Jordan, all parts of the Middle East and the world, aiming to improve leadership and entrepreneurial capabilities & skills using English language, and to enhance the use of modern learning theories and scientific research methodologies, as well as to acquire teamwork and community service skills, which also considered among the most important factors for encouraging educational tourism

ELO Objectives

- Working on inclusiveness and inclusion of different segments of society.
- Providing participants with communication and teamwork skills, by searching for non-traditional sources of language learning.
- Capacity building, acquiring leadership and entrepreneurship skills, and the ability to think critically.
- Enhancing the concept of community belonging and professional skills through volunteer work.
- Promoting the use of modern theories in learning English.
- Exploiting the available resources within the local environment to learn English.
- Activating participants' spontaneous use of the English language within its realistic context.
- Providing a unique opportunity to exchange experiences and friendships among the participants.
- Coming up with recommendations and policy papers in response to the sustainable development goals addressed to the relevant authorities and decision makers.
